

Risk Disclosure

Forex trading carries a high level of risk. The possibility exists that you could sustain a loss of some or all of your initial investment and therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with forex trading before using our service.

NewYorkCityServers does not guarantee the profitability of using our service. Furthermore we can not be held liable for any money made or lost using our service under any circumstances.

Clients take full responsibility for all actions pertaining to the VPS. This includes, but is not limited to: installing, updating, and maintaining software on the VPS, installing Windows updates, and keeping your VPS secure. NewYorkCityServers shall not be held liable for any claimed damages which may arise from using our service. This includes, but is not limited to: incidental damages, consequential damages, data loss, crashes, or system downtime. Furthermore in the event of any claimed damage NewYorkCityServers cannot be held liable for any estimated profits that the client would have received should the system have been operating without any problems.
